

Membership Application Form

FCCPR is an umbrella organization created for charitable and educational purposes related to the Carson City Parks, Recreation and Open Space Department. We assist the Department with projects for improvements to the City's parks. We are providing financial guidance and assistance to several non-501(c)(3) organizations that are raising funds to make improvements to these facilities. FCCPR provides an umbrella under which various organizations and citizens can come together to explore innovative ways to promote and facilitate their activities. It assists organizations with similar goals to promote and meet Foundation objectives by acting in a fiduciary capacity to help manage and protect monies raised by members for their various stated projects. We also lease and maintain the historic Wungnema House on the east end of Mills Park for the benefit of the community.

We invite you to become a member of FCCPR. Basic membership is **\$25** per year (based on the month you join), non-profit organization membership is **\$50**, and for-profit business membership is **\$100**. Annual membership renewal is based on the month you first join FCCPR.

1. Name: _____
